You, my neighbors in the 7th Congressional District, have told me what you want in a Congressman – trust, accountability and compassion. Your call for bold, progressive leadership has been heard, and together, we will be able to turn our obstacles into opportunities.

The Shelton State Foundation has contributed positively to the growth of our community and to the lives of individuals for many years. Their commitment to excellence is a lesson for us all. Working together, we can and will make the 7th District, **our home**, a better place!
